

**Cleaning systems - 38 mm**

| No | Article   | Item no.   |
|----|---|------------|
| 1  | Hose antistatic, diameter 38 mm                 | 590919038  |
| 1  | Hose EVA 38 mm                                  | On request |
| 2  | Hose socket, diameter 38 mm                     | 590918038  |
| 3  | Hose connector 50-38                            | 590905003  |
| 4  | Connection from cleaning pipe to hose connector | 590914038  |
| 5  | Bend diam. 38 mm                                | 590913038  |
| 6  | Floor pipe diam. 38 mm two-parted               | 590910038  |
| 7  | Floor pipe 38 mm, one piece                     | 590912038  |
| 8  | Floor pipe. 38 mm, aluminium                    | On request |
| 9  | Floor nozzle 38 mm, 450 mm                      | 590915038  |
| 10 | Floor nozzle 38 mm, plastic                     | On request |
| 11 | Brush 38 mm                                     | On request |
| 12 | Brush 38 mm                                     | On request |
| 13 | Nozzle 38 mm                                    | 590916505  |
| 14 | Pipe nozzle 38 mm                               | On request |
| 15 | Conical nozzle 38 mm                            | On request |
| 16 | Nozzle metal, 38 mm                             | On request |
| 17 | Nozzle metal, 38 mm                             | On request |
| 18 | Hose reel , 38 mm hose. L = 10 m                | On request |
| 19 | Joint socket 38-38 mm                           | On request |
